NOTES

ⁱ Full name of the legal entity and further specification of the issuer or underlying issuer, provided it is reliable and accurate (e.g. address, LEI, CVR number).

ⁱⁱ Other reason for the notification could be voluntary notifications, changes of attribution of the nature of the holding (e.g. expiring of financial instruments) or acting in concert.

ⁱⁱⁱ This should be the full name of

As the disclosure of cases of acting in concert may vary due to the specific circumstances (e.g. same or different total positions of the parties, entering or exiting of acting in concert by a single party) the standard form does not provide for a specific method how to notify cases of acting in concert.

In relation to the transactions referred to in points (2) to (8) of section 38 (2) of the Capital Markets Act, the following list is provided as indication of the persons who should be mentioned:

- in the circumstances foreseen in section 38 (2) (2) of the Capital Markets Act, the natural person or legal entity that acquires the voting rights and is entitled to exercise them under the agreement and the natural person or legal entity who is transferring temporarily for consideration the voting rights;
- in the circumstances foreseen in section 38 (2) (3) of the Capital Markets Act, the natural person or legal entity holding the collateral, provided the person or entity controls the voting rights and declares its intention of exercising them, and natural person or legal entity lodging the collateral under these conditions;
- in the circumstances foreseen in section 38 (2) (4) of the Capital Markets Act, the natural person or legal entity who has a life interest in shares if that person or entity is entitled to exercise the voting rights attached to the shares and the natural person or legal entity who is disposing of the voting rights when the life interest is created;
- in the circumstances foreseen in section 38 (2) (5) of the Capital Markets Act, the controlling natural person or legal entity and, provided it has a notification duty at an individual level under section 29(1), under points (1) to (4) of section 29 (3) of the Securities Trading, etc. Act, or under a combination of any of those situations, the controlled undertaking;
- in the circumstances foreseen in section 38 (2) (6) of the Capital Markets Act, the deposit taker of the shares, if he can exercise the voting rights attached to the shares deposited with him at his discretion, and the depositor of the shares allowing the deposit taker to exercise the voting rights at his discretion;

^{iv} Applicable in the cases provided for in section 38 (2) (2-8) of the Capital Markets Act. This should be the full name of the shareholder who is the counterparty to the natural person or legal entity referred to in section 29 (3) of that Act unless the percentage of voting rights held by the shareholder is lower than the lowest notifiable threshold for the disclosure of voting rights holdings in accordance with national practices (e.g. identification of funds managed by management companies).

^v *The date on which threshold is crossed or reached should be the date on which the acquisition or disposal took place or the other reason triggered the notification obligation. For passive crossings, the date when the corporate event took effect.*

^{vi} *The total number of voting rights or share capital shall be composed of all the shares, including depository receipts representing shares, to which voting rights are attached even if the exercise thereof is suspended.*

^{xi} *If the person subject to the notification obligation is either controlled and/or does control another undertaking then the second option applies.*

^{xii} *The full chain of controlled undertakings starting with the ultimate controlling natural person or legal entity has to be presented also in the cases, in which only on subsidiary level a threshold is crossed or reached and the subsidiary undertaking discloses the notification as only thus the markets get always the full picture of the group holdings. In case of multiple chains through which the voting rights and/or financial instruments are effectively held the chains have to be presented chain by chain leaving a row free between different chains (e.g.: A, B, C, free row, A, B, D, free row, A, E, F etc.).*

^{xiii} *The names of controlled undertakings through which the voting rights or share capital and/or financial instruments are effectively held have to be presented irrespectively whether the controlled undertakings cross or reach the lowest applicable threshold themselves.*
