The following resolution was adopted:

The Board is authorised to acquire the Company's own shares, including the establishment of charges created by agreement.

The highest nominal value of the shares the company may acquire is NOK 457,138, although at all times within the limitations set in section 9-2 of the Public Limited Liability Companies Act. The smallest amount that may be paid for a share is NOK 0.05. The highest amount that may be paid for a share is NOK 150.

When buying and selling treasury shares the company should seek to achieve the most favourable price possible. The Board is free with respect of the methods used to acquire and dispose of treasury shares, though always with the provision that the general principle of equal treatment of shareholders must be observed. For the sale of shares to employees and officers, shares may be sold at a discount of up to 20% under the prevailing market price. Acquisition and disposal of treasury shares may thus occur, for example, with settlement in cash, with settlement by means other than cash or as settlement in connection with a merger or demerger.

The company's share capital is NOK 4,571,380.35 made up of 91,427,607, shares, each with a face value of NOK 0.05. If the share capital or face value of the shares is changed, the amounts specified in the second to fourth sentences shall be changed correspondingly.

This authority to the Board replaces the former authority dated 15 May 2014 and will apply until the date of the Annual General Meeting in 2016, although not after 30 June 2016.

14. Authority to carry out private placing to employees

The Board has proposed that the Annual General Meeting authorise it to issue shares that the employees may buy.

The following resolution was adopted:

The Board is authorised to increase the share capital by issuing new shares.

The share capital may be increased by a total of up to NOK 50,000 through the issuing of up to 1,000,000 shares, each with a face value of NOK 0.05. The authority can be exercised through one or more issues.

The statement of the share capital and number of shares in Article 4 of the Articles of Association shall be changed correspondingly.

The power of attorney may only be used to issue shares in connection with the sale of shares to employees in the Group.

The Board may decide to deviate from the shareholders' pre-emptive right to subscribe for shares under section 10-4 of the Public Limited Companies Act.

The authorisation is valid until the date of the Annual General Meeting in 2016, but not later than 30 June 2016.

15. Authorisation to the Board to increase the share capital by issuing new shares

The Board proposes that the Annual General Meeting authorises the Board to increase the share capital by up to 3% of the current paid-in share capital by issuing new shares. The justification for the proposal is that the authorisation will provide greater flexibility in connection with acquisition of business.

The following resolution was adopted:

Cf. the Public Limited Companies Act Sections 10-14 to 10-19 the Board is authorised to increase the share capital by issuing new shares.

The share capital can be increased by a total of up to 3% of the current paid-in share capital with a face value of NOK 0.05 per share.

The authority can be exercised through one or more issues.

The statement of the share capital and number of shares in Article 4 of the Articles of Association shall be changed correspondingly.

The Board may decide to deviate from the shareholders' pre-emptive right to subscribe for shares under section 10-2 of the Public Limited Companies Act.

The Board may decide that share contributions may be assets other than cash, or the right to involve the company in special obligations pursuant to section 10-2 of the Public Limited Companies Act. If share contributions are to be settled by assets other than cash, the Board may decide that such assets be transferred to subsidiaries in return for corresponding settlement between the subsidiary and AF Gruppen ASA.

The authorisation also applies in the event of a decision to merge, pursuant to section 135 of the Public Limited Companies Act. The authorisation may also be used in those cases discussed in section 5-15 of the Stock Exchange Act.

This authority is valid from and including 15 May 2015 until and including the date of the Annual General Meeting in 2016, although not after 30 June 2016."
