## **Production capacity restored on Alvheim FPSO**

Reference is made to the stock exchange notice dated November 24, 2015 regarding reduced production capacity at the Alvheim FPSO.

The high voltage drive motor for one of the gas compressors has successfully been replaced and the production capacity at the Alvheim FPSO has been restored, ahead of plan.

Det norske oljeselskap ASA is the operator of the Alvheim FPSO with 65% working interest.
