RE: Item 4-02 Form 8-K
Filed March 6, 2008
File No. 000-12536

Dear Mr. Wu:

We have reviewed your Item 4.02 Form 8-K for compliance with the form requirements and have the following comments.

1. Please revise to describe the nature of the error and how you reflected the restatement.
2. We noted the date of the restatement disclosed in your Form 8-K is inconsistent with the date of the restatement disclosed in your accountants report included in the Form 10-KSB/A-2. Please revise as appropriate to clarify this conflict.

You should respond and file an amendment to the filing on or before March 14, 2008.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;
- staff comments or changes to disclosure in response to staff comments do not

- foreclose the Commission from taking any action with respect to the filings; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filings or in response to our comments on your filings.

If you have any questions, please call me at (202) 551-3414.
