

YASUHIRO MATSUI

Yasuhiro Matsui holds the position as General Manager, Corporate Finance Department, Division 5 (Energy) of Development Bank of Japan Inc. (DBJ). He has more than 25 years of finance experience in the energy and infrastructure industry.

Mr. Matsui joined DBJ in 1994 and has held various roles within the organisation, including Head of Capital Markets from 2012 to 2015 and from 2018 to 2020 and Head of Renewable Energy Finance from 2015 to 2018. He is specialised in both energy and infrastructure-related Project Finance and Capital Markets, and was involved in the first Green Bond issued by DBJ as Japanese Issuer in 2014.

Mr. Matsui holds the Visiting Researcher position at the Graduate School of Public Policy, University of Tokyo. He holds a Master's Degree from MIT Sloan School of the Management and Bachelor of Engineering in Urban Engineering from University of Tokyo.

Mr. Matsui is independent from the Company's management, major shareholders and principal business associates.

JEAN HUBY

Jean Huby is the Chief Executive Officer of Ocean Breeze Energy, owner and operator of the first commercial offshore wind park in Germany, BARD Offshore 1, since 2014.

Mr. Huby has extensive experience in the energy sector, in particular as former CEO of AREVA Wind from 2011 to 2013 and as Senior Vice-President, Strategy and Mergers & Acquisitions, at AREVA group from 2008 to 2011.

Mr. Huby holds an Engineering Degree of the Ecole Polytechnique and of the Ecole des Mines in Paris and a Master's Degree in Economics of the Sorbonne University. He started his career in the European Commission, where he worked in the antitrust division and was an advisor to the Commissioner for Transport.

Mr. Huby is independent from the Company's management, major shareholders and principal business associates.
