Resolutions

Remuneration Report

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at www.firstgraphene.net.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2024 Annual General Meeting (**2024 AGM**), the Company will be required to put to the vote a resolution (**Spill Resolution**) at the 2024 AGM to approve the calling of a further meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2024 AGM. All of the Directors who were in office when the 2024 Directors' Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed the Chair to vote in accordance with the Chair's stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

Re-election of Director

Resolution 2 – Re-election of Michael Quinert as Director

Clause 14.2 of the Company's Constitution requires that at the Company's annual general meeting, one third of the Directors shall retire from office. The retiring Director(s) must not be a Managing Director. The Director(s) to retire at the annual general meeting are those who have been in office the longest since their last election. For Directors re-elected on the same day, those to retire shall be agreed amongst themselves or by drawing lots.

As the Company currently has 3 Directors (excluding the Managing Director) 1 must retire.

ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of Directors at each annual general meeting.

Mr Warwick Grigor was last re-elected as a Director at the 2022 AGM. Dr Andrew Goodwin and Mr Michael Quinert were both re-elected as Directors at the 2021 AGM. As Dr Andrew Goodwin and Mr Michael Quinert were both last re-elected on the same day they have decided amongst themselves that Michael Quinert will retire by rotation, and being eligible, seek re-election as a Director of the Company at this AGM.

A biography of Michael Quinert, who was first appointed as a Director of the Company in Michael Quinert is set out in the Company's annual financial report for the year ended 30 June 2023.

Directors' recommendation

The Directors (excluding Michael Quinert) recommend that Shareholders vote for this Resolution.

ASX Listing Rule 7.1A

Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$36 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) Accelerating graphene application developments underway
- (b) Funding ongoing business activities

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different

assumed issue prices and values for the variable “A” in the formula in rule 7.1A.2:

Variable “A” ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 13 October 2023.
- (b) Based on the closing price of the Company’s Shares on ASX as at 9 October 2023.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder’s holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company’s 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company’s allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company’s intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company’s financial position and the likely future capital requirements; and
- (e) advice from the Company’s corporate or financial advisors.

Based on the Company’s historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company’s obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The Company previously sought Shareholder approval under Listing Rule 7.1A at the 2022 AGM however did not issue or agree to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

The Company received the \$8,000,000 in two tranches, tranche 1 being \$5,000,000 which was received shortly after 27 May 2021 (**Tranche 1**) and tranche 2 being \$3,000,000 which the Company received on 30 November 2021 (**Tranche 2**).

Under the Share Placement Agreement the Company will issue fully paid ordinary shares (**Placement Shares**) in relation to all or part of the placement amount at the Investor's request during the period ending 3 June 2024

At the 2021 and 2022 AGMs the Company sought, and received, shareholder approval to ratify prior issues of Placement Shares to the Investor worth a total value of \$3,000,000 and which had been issued by utilising the Company's capacity under Listing Rule 7.1 at that time.

Since the 2022 AGM the Company has issued a further 13,888,890 Placement Shares worth a total value of \$1,200,000. These additional issues of Placement Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1.

As at the date of this Notice of Meeting, the Investor remains entitled to receive Placement Shares worth \$4,280,000 at the time(s) to be determined by the Investor through to 3 June 2024.

ASX Listing Rule 7.1

Resolutions 4 to 6 propose that Shareholders of the Company approve and ratify the prior issue and allotment of the following Placement Shares:

- (a) 5,000,000 Placement Shares at an issue price of \$0.10 per Placement Share on 22 November 2022 (**Resolution 4**)
- (b) 2,222,223 Placement Shares at an issue price of \$0.09 per Placement Share on 2 March 2023 (**Resolution 5**)
- (c) 6,666,667 Placement Shares at an issue price of \$0.075 per Placement Share on 24 May 2023 (**Resolution 6**)

All of the Placement Shares were issued by utilising the Company's existing capacity under Listing

Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of Placement Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolutions 4 to 6 seek Shareholder approval to subsequently approve the issue of Placement Shares for the purposes of Listing Rule 7.4.

If the Resolutions are passed, the issue of Placement Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following their respective issue dates.

If any of Resolutions 4 to 6 are not passed, the issue of Placement Shares the subject of that Resolution, will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

Schedule 1 – Terms and Conditions of Share Placement Agreement

The Company entered into a Share Placement Agreement with Specialty Materials Investments, LLC (the Investor) as announced to the ASX on the 27th of May 2021.

- Total AUD amount that can be drawn down: \$8,000,000
- Initial deposit shares issued: 2,800,000 shares at \$0.235 per share
- Fee paid: 1,021,276 shares at \$0.235 per share
- Final AUD value of shares to be issued: \$8,480,000 (“subscription amount”)
- Other Terms:
- The final number of shares to be issued by the Company will be determined by applying the Purchase Price (as set out below) to the subscription amount. The Purchase Price will initially be equal to \$0.30 per share and will reset after 10 August 2021 to the average of the five daily volume-weighted average prices selected by the Investor during the 20 consecutive trading days immediately prior to the date of the Investor’s notice to issue shares, rounded down to the next half a cent if the share price is at below 50 cents and whole cent if the share price is at above 50 cents, with no discount applicable to this formula. To the extent that Placement Shares are issued after six months, or 12 months, the Investor will receive a discount of, respectively, 3% or 6% to the foregoing Purchase Price formula.
- The Purchase Price will be the subject of a Floor Price of \$0.16. If the Purchase Price formula were to result in a purchase price that is less than the Floor Price, the Company may refuse to issue shares and instead opt to repay the relevant subscription amount in cash (with a 5% premium), subject to the Investor’s right to receive Placement Shares at the Floor Price in lieu of such cash repayment. The Company will issue the Placement Shares in relation to all or part of each of the above investments on the Investor’s request, during the period ending 36 months after the date of the investment.
- The Company has retained the right (but has no obligation) to repay the subscription amount in cash in lieu of issuing shares by way of a repayment of the subscription amount together with the difference between the market price of the shares and the Purchase Price (if any) in relation to the shares that would otherwise have been issued.
