

PRESS RELEASE

Cambi ASA: Invitation to Capital Markets Day and release of half-year 2021 results

Asker, Norway, 26 August 2021

Cambi is pleased to invite investors, journalists, and other stakeholders to our Capital Markets Day on Tuesday, 31 August 2021, from 9:30 AM Central European Summer Time (CEST) to 11:30 AM CEST.

The financial results of the year's first half will be released on the same day by 7:00 AM CEST and presented at the event.

The event can be attended online, or in person at Hotel Continental in Stortingsgata 24/26, Oslo. Register by following the link:

https://us02web.zoom.us/webinar/register/WN_giG3dRGkRSOs124q8KO16Q

Due to social distancing rules, registration for in-person attendance will be confirmed by email according to the capacity of the venue.

The program is as follows:

- Eirik Fadnes, CEO Cambi Group: Second quarter and first half-year report
- Lluís Soler, EVP Operations: Status on project deliveries
- Per Lillebø, President and CEO Cambi ASA: Cambi status and key developments
- Julien Chauzy, Sales Director APAC: Sales updates from selected markets
- Bill Barber, Technical Director: Carbon footprint – the impact of THP
- Maarten Kanters, Managing Director Cambi Invest: Update on new business areas

There will be two Q&A sessions, after the Operations presentation and at the end. You may send your questions in advance through the registration form or to Investor Relations. You can also ask questions during the presentations.

The event recording will be available on the website shortly after, at the link:

About Cambi:

Cambi is a global technology and solutions supplier for sustainable biosolids management at wastewater treatment plants. Since 1992, Cambi has developed a proven and patented core technology, built strong marketing, sales, and support capabilities, and a portfolio of well-performing thermal hydrolysis plants globally. The thermal hydrolysis process increases biogas output, reduces greenhouse gas emissions, and destroys pathogens and other harmful substances, enabling the production of excellent quality organic fertilisers and various soil products. Cambi is publicly listed on Euronext Growth Oslo, a multilateral trading facility and part of Euronext, the largest stock exchange platform in Europe. Find out more at cambi.com
