

## PRESS RELEASE

# CIRCA GROUP AS – INVITATION TO Q2 2021 RESULTS

Oslo, Norway – 24 August 2021

**Circa Group AS's quarterly report and presentation for Q2 2021 will be published at 07:00 CEST on 26 August. The report and presentation will be available at [www.newsweb.no](http://www.newsweb.no) and [www.circa-group.com](http://www.circa-group.com). A short webinar will be held at 08:30 CEST on the same day, where the management team will go through a summary of the presentation with opportunities to ask questions for registered participants.**

Register your interest in participating in the webinar by sending an e-mail to [info@circagroup.no](mailto:info@circagroup.no) no later than 15:00 CEST on 25 August. Confirmation and Teams-link will be sent later the same day.

It will also be possible to conduct individual interviews with the press after the webinar by further agreement with [ks@sustainabilityconsult.com](mailto:ks@sustainabilityconsult.com).

This information is subject to the disclosure requirements pursuant to section 5-12 of the Norwegian Securities Trading Act.

### About Circa

Established in 2006, Circa Group converts waste, non-food biomass into advanced bio-based chemicals with its proprietary Furacell™ process. Its developing product portfolio includes flavours, biopolymers, and bio-solvents including Cyrene™, an alternative to traditional polar aprotic solvents, which is produced in one step from platform biomolecule Levoglucosenone. By creating renewable chemicals from cellulose, Circa is extracting value from non-food, waste biomass and addressing a gap in the market by providing bio-based alternatives contributing to a more circular economy.
