About Circa

Established in 2006, Circa Group converts sustainable, non-food biomass into advanced bio-based chemicals with its proprietary Furacell™ process. Its developing product portfolio includes flavours, biopolymers, and bio-solvents including Cyrene™, an alternative to traditional polar aprotic solvents. By creating renewable chemicals from cellulose, Circa is extracting value from non-food, waste biomass and contributing to industry as it transitions a more circular economy. In March 2021, Circa Group listed on the Euronext Growth Market in Oslo, stock symbol CIRCA.
