About Cloudberry Clean Energy:

Cloudberry is a renewable energy company operating in the Nordics and in accordance with local traditions. The Company owns, develops, and operates hydropower plants and wind farms in the Nordics. Cloudberry is powering the energy transition to a sustainable future by providing new renewable energy today and for future generations. The Company believes in a fundamental long-term demand for renewable energy in Europe. With this as a fundament, Cloudberry is building a sustainable, scalable, efficient, and profitable platform for creation of shareholder value. Cloudberry's shares are traded on Oslo Stock Exchange's main list (Oslo Børs), supported by strong owners and led by an experienced team and board. The Company has offices in Oslo, Norway (main office), Karlstad, Gothenburg, Eskilstuna, Sweden and Lemvig, Denmark. To learn more about Cloudberry, go to www.cloudberry.no.
