

## Cloudberry Clean Energy ASA | Issuance of shares to members of the Board of Directors

The Company's general meeting has resolved a share purchase program for the Board of Directors. Pursuant to this program the members of the Board of Directors shall invest 30% of the fixed gross remuneration (prior to tax) per year in the Company's shares until the value of the shares of each individual member amounts to at least two years of board remuneration. The members of the Board of Directors shall after the threshold of two years board remuneration has been achieved, be offered to use up to 30% of the gross board remuneration (prior to tax) to acquire shares. The shares that are acquired pursuant to the program subject to a three-year lock-up and will be offered at a subscription price which is 15% below the prevailing market price.

In relation to this program, the Board of Directors has today resolved to increase the Company's share capital by NOK 20,958.25 through issuance of 83,833 new shares at a subscription price of NOK 7.64 per share. The subscription price represents a 15% discount on the closing price of Cloudberry's shares on 8 May 2024. Tove Feld, Petter W. Borg, Henrik Joelsson, Nicolai Nordstrand, Alexandra Koefoed and Benedicte Fossum have subscribed for shares.

The new shares are subject to a three-year lock-up.

Following the issuance of the new shares, and prior to the completion of the capital decrease resolved by the Company's general meeting on 16 April 2024, the Company will have 291,453,937 shares outstanding, each with a nominal value of NOK 0.25. The total share capital of the company will be NOK 72,863,484.25. The company's Articles of Associations will be updated accordingly.
