Item 7 Board authorization to increase the share capital in relation to future capital raises

At the annual general meeting on 1 June 2023, the Board of Directors was granted a board authorisation to increase the share capital in relation to future capital raises with up to 10% of the Company's shares with a duration until the annual general meeting in 2024. The Board of Directors proposes to continue this authorisation. The Board of Directors therefore proposes that the general meeting grant such authorisation on the conditions set out below. This authorisation will replace the existing board authorisation for share capital increases in relation to future capital raises.

The purpose of the mandate is to give the Board of Directors the necessary flexibility and opportunity to act promptly. The mandate is limited to being used to issue shares in order to secure the financing of the Company's development. It is proposed that the Board of Directors' authorisation corresponds to 10% of the Company's share capital.

In consideration of the purpose of the authorisation, the pre-emptive rights of existing shareholders to subscribe to new shares may be waived.

Since the annual general meeting is to approve the annual financial statements for 2023, reference is made to the financial statements and to stock exchange notifications published under the Company's ticker symbol on the Oslo Stock Exchange's news service <http://www.newsweb.no> and on the Company's website for information about matters of material importance to the Company and the Company's business.

The Board of Directors proposes that the general meeting makes the following resolution:

1. *"The Board of Directors is hereby authorised to execute one or more share capital increases by issuing in total up to 5,362,797 shares with a nominal value of NOK 0.003. The total amount by which the share capital may be increased is NOK 16,088.391.*
2. *The authorisation may be used to issue shares in order to secure the financing of the Company's development.*
3. *The Board of Directors is authorised to decide upon the subscription terms, including subscription price, date of payment and the right to sell shares to others in relation to an increase of share capital.*
4. *This authorisation is valid until the ordinary general meeting in 2025, however at the latest until 30 June 2025.*
5. *Existing shareholders pre-emptive right to subscribe for shares according to Section 10-4 of the Norwegian Private Limited Liability Companies Act may be set aside.*
6. *The authorisation does not include increase of share capital with contribution in kind or right to incur special obligations upon the Company, cf. the Norwegian Private Limited Liability Companies Act section 10-2.*
7. *The authorisation does not include decision on merger according to Section 13-5 of the Norwegian Private Limited Companies Act.*

8. *The general meeting authorises the Board of Directors to amend the Company's articles of association concerning the share capital and number of shares when the authorisation is used.*
9. *With effect from the date when this mandate is registered with the Norwegian Register of Business Enterprises, it replaces previous mandates to increase the share capital for the same purpose."*

Item 8 Board authorization to increase the share capital in relation to an employee incentive scheme

At the annual general meeting on 1 June 2023, the Board of Directors was granted a board authorisation to increase the share capital in relation to an employee incentive scheme with up to 5% of the Company's shares with a duration until the annual general meeting in 2024. The Board of Directors proposes to continue this authorisation. The Board of Directors therefore proposes that the general meeting grant such authorisation on the conditions set out below. This authorisation will replace the existing board authorisation for share capital increases in relation to future capital raises.

The Board of Directors therefore proposes that the general meeting authorizes the Board of Directors to increase the share capital for the specified purposes that implies an access to issue up to 2,681,398 new shares in the Company.

In consideration of the purpose of the authorisation, the Board of Directors propose that the pre-emptive rights of existing shareholders to subscribe to new shares may be waived.

Since the annual general meeting is to approve the annual financial statements for 2023, reference is made to the financial statements and to stock exchange notifications published under the Company's ticker symbol on the Oslo Stock Exchange's news service www.newsweb.no and on the Company's website for information about matters of material importance to the Company and the Company's business.

The Board of Directors proposes that the general meeting makes the following resolution:

1. *"The Board of Directors is hereby authorised to execute one or more share capital increases by issuing in total up to 2,681,398 shares with a nominal value of NOK 0.003. The total amount by which the share capital may be increased is NOK 8,004.194.*
2. *The authorisation may be used to issue shares according to the Company's incentive schemes for employees.*
3. *The Board of Directors is authorised to decide upon the subscription terms, including subscription price, date of payment and the right to sell shares to others in relation to an increase of share capital.*
4. *This authorisation is valid until the ordinary general meeting in 2025, however no later than 30 June 2025.*
5. *Existing shareholders pre-emptive right to subscribe for shares according to Section 10-4 of the Norwegian Private Limited Liability Companies Act may be set aside.*
6. *The authorisation does not include increase of share capital with contribution in kind or right to incur special obligations upon the Company, cf. the Norwegian Private Limited Liability Companies Act section 10-2.*
7. *The authorisation does not include decision on merger according to Section 13-5 of the Norwegian Private Limited Companies Act.*
8. *The general meeting authorises the Board of Directors to amend the Company's articles of association concerning the share capital and number of shares when the authorisation is used.*
9. *With effect from the date when this mandate is registered with the Norwegian Register of Business Enterprises, it replaces previous mandates to increase the share capital for the same purpose."*

Item 9 Board authorization to acquire own shares

At the annual general meeting on 1 June 2023, the Board of Directors was granted an authorisation to acquire own shares with a total nominal value corresponding to 10% of the Company's share capital with a duration until the annual general meeting in 2024. The Company's Board of Directors believes it to be expedient to have an authorisation to acquire own

shares, including to enter into agreements on charges in own shares. The Board of Directors proposes that the general meeting grants a new authorisation on the terms set out below.

The authorisation would give the Board of Directors the opportunity to take advantage of the financial instruments and mechanisms provided by the Norwegian Private Limited Liability Companies Act. Buy-back of the Company's shares, with subsequent cancellation, may be an important aid for optimising the Company's capital structure. In addition, such authorisation will also enable the Company, following any acquisition of own shares, to use own shares as part of incentive schemes, and in full or in part, as consideration with regards to acquisition of businesses.

The Board of Directors' proposal entails that the general meeting gives the Board of Directors an authorisation to acquire shares in the Company, with a total nominal value corresponding to 10% of the Company's share capital. Shares acquired by the Company can be used in a later reduction of the share capital with the general meeting's approval, remuneration to the members of the Board of Directors, for incentive schemes or as consideration with regards to acquisition of businesses.

Since the annual general meeting is to approve the annual financial statements for 2023, reference is made to the financial statements and to stock exchange notifications published under the Company's ticker symbol on the Oslo Stock Exchange's news service <http://www.newsweb.no> and on the Company's website for information about matters of material importance to the Company and the Company's business.

The Board of Directors proposes that the general meeting makes the following resolution:

"In accordance with the Norwegian Private Limited Liability Companies Act sections 9-4 and 9-5, the Board of Directors is authorised to acquire the Company's own shares, on the following conditions:

- 1. The Company may, in one or more rounds, acquire shares with a total nominal value of up to NOK 16,088.391. The authorisation also includes acquisition of charge by agreement in own shares.*
- 2. The highest and lowest purchase price payable for shares acquired pursuant to the authorisation shall be maximum NOK 100 and minimum NOK 0.003 respectively. The Board of Directors is incidentally free to decide on the means to be used to acquire and dispose of own shares.*
- 3. This authorisation is valid until the ordinary general meeting in 2025, however no later than 30 June 2025.*
- 4. Shares acquired pursuant to this authorisation shall either be deleted in connection with a later reduction of the registered share capital, be applied as remuneration to the members of the Board of Directors, for incentive schemes or as consideration shares with regards to acquisition of businesses."*

Item 10 Amendment of the articles of association

The general meeting of the Company has a practice for electing board members with a one-year term. It is proposed to incorporate that elections are made of a one year period in the articles of association.

The board of directors proposes that the general meeting makes the following resolution:

The articles of association section 5 is amended to read:

"The company's board of directors shall consist of five to seven members. The board is elected for one year at a time."
