

Long term contract for PSV Skandi Feistein with Esso Australia

DOF Rederi AS, a wholly owned subsidiary of DOF ASA, has signed a 5-year contract for the PSV Skandi Feistein with Esso Australia Pty Ltd.

The contract will commence in second half 2019. Skandi Feistein is a large PSV built in Norway in 2011.

Mons S. Aase, CEO DOF ASA comments: "This is a very important win for us. It is our first long term contract with Esso in Australia and an important step in our strategy of growing our fleet in the APAC region. I think this award is further proof of our ability to deliver world class services on a global basis."

With a multi-national workforce of about 3,500 personnel, DOF ASA is an international group of companies which owns and operates a fleet of modern offshore/subsea vessels, and engineering capacity to service both the offshore and subsea market. With over 35 years in the offshore business, the group has a strong position in terms of experience, innovation, product range, technology and capacity.

DOF's core businesses are vessel ownership, vessel management, project management, engineering, vessel operations, survey, remote intervention and diving operations primarily for the oil and gas sector. From PSV charter to Subsea engineering, DOF offers a full spectrum of top quality offshore services to facilitate an ever-growing and demanding industry.

The company's main operation centers and business units are located in Norway, the UK, the USA, Singapore, Brazil, Argentina, Egypt, Angola, and Australia.

DOF ASA is listed on the Oslo Exchange since 1997.
