

DOF Subsea awarded contracts in Trinidad and GoM

DOF Subsea is pleased to announce multiple contract awards from undisclosed clients in two important growing regions, Trinidad and US GoM.

Skandi Neptune has been awarded a 3-year frame agreement for IMR and light construction services with a major operator in Trinidad. She will commence operation in Trinidad late November for the 1st offshore inspection campaign.

The Group have also secured several shorter contracts in the GoM to support IMR, subsea installation and decommissioning operations, securing good utilisation in the 4th quarter for Harvey Deep Sea.

Moreover, Geosea has been awarded a 21-day contract commencing in late November in the GoM.

In a statement Mons Aase, CEO DOF Subsea, said, "This is important awards for us, securing good utilisation for our ships in the North America Region, in addition to creating a strong basis for future work in Trinidad and the GoM."
