

## **DOF Subsea awarded contracts in Africa**

DOF Subsea is pleased to announce two contract-awards for international clients in Africa, securing further vessel and resource utilisation in Q1 and first part of Q2 2020.

The first contract is for seismic nodes installation in Nigeria for an undisclosed client. The work will be executed from the CSV Geosund.

The second contract is an extension to existing contract with a major operator in Angola to support a variety of subsea activities. For this project, the company will deploy the CSV Skandi Seven which has already been operating for the client in Angola for some time.
