

## **DOF Subsea Australia Contracted by Woodside Energy**

Woodside has awarded DOF Subsea Australia a contract to provide Transportation & Installation (T&I) services in support of flowline installation operations in the Cossack Wanaea Lambert and Hermes (CWLH) field, North West Shelf, Australia.

The award includes Project Management, Engineering, Transportation and Installation Services and is expected to be completed during Q3 2021. The project will utilise the DSV Skandi Singapore, which, with an in-built saturation diving system and 140Te AHC crane, is ideally suited to these operations.

Mons Aase, CEO DOF Subsea AS, said, "We look forward to working with Woodside to deliver safe and efficient award."
