Integral Metals Announces the Addition of John David Clark as an Advisor to the Company

Calgary, Alberta, March 3, 2025 – Integral Metals Corp. (CSE: INTG | OTC: ITGLF | FSE: ZK9) (the "Company" or "Integral") is pleased to announce the addition of John David Clark as an Advisor to the Company. With his extensive experience in finance, investment, and strategic leadership, Mr. Clark brings deep industry insight and a strong global network to Integral Metals, leveraging his expertise in natural resources, technology, and capital markets to support the company's growth and exploration initiatives.

"We are thrilled to welcome John David Clark as an Advisor to Integral Metals," said Paul Sparkes, CEO of Integral Metals. "His extensive experience in finance, investment, and strategic leadership, combined with his deep knowledge of natural resources and capital markets, will be invaluable as we continue to advance our exploration initiatives. We look forward to leveraging his insights and global network to drive growth and create value for our shareholders."

Mr. Clark is the founder of Crockett Capital, investing in a variety of sectors including nuclear energy, natural resources, manufacturing, and technology. He also serves as Chief of Staff at Instabase Inc., a portfolio company of Crockett focused on AI and automation for the largest banks and enterprises in the world. Previously, Mr. Clark was the Personal Aide to U.S. President George W. Bush, serving in a variety of roles in the president's personal office, as well as at the George W. Bush Foundation and the Bush Institute in Dallas. Prior to his work with President Bush, Mr. Clark was with Goldman Sachs and Denali Asset Management. Mr. Clark resides in Dallas, Texas, and is a graduate of Southern Methodist University's Cox School of Business.

On Behalf of the Board Directors

ABOUT INTEGRAL METALS CORP.

Integral is an exploration stage company, engaged in the business of mineral exploration for critical minerals, including gallium, germanium, and rare earth elements, with the goal of contributing to the development of a domestic supply chain for these minerals. Integral holds properties in mining-friendly jurisdictions in Canada and the United States of America, including the Northwest Territories, Manitoba and Montana, where it has received regulatory support for its exploration efforts.

Forward-Looking Information

Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Company's current beliefs or assumptions as to the outcome and timing of such future events. In particular, this press release contains forward-looking information relating to, among other things, the Company's future plans, including the Company's plans to focus its efforts and resources on the Kap Property and its other mineral properties.

Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking information, including, in respect of the forward-looking information included in this press release, assumptions regarding the future plans and strategies of the Company, including that the Company will continue to focus its efforts and resources on the Kap Property.

Although forward-looking information is based on the reasonable assumptions of the Company's management, there can be no assurance that any forward-looking information will prove to be accurate. Forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include, among other things, the risk that the Company's business prospects and priorities may change, whether as a result of unexpected events, general market and economic conditions or as a result of the Company's future exploration efforts, and that any such change may result in a re-deployment of the Company's resources and efforts in a manner divergent from the Company's current business plan or strategy. The forward-looking information contained in this release is made as of the date hereof, and the Company is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.
