Re: Bond buy-back offer

Capitalized terms used herein shall have the meaning assigned to them in the bond agreement dated 18 June 2013 (the "Bond Agreement") and the amendment agreement dated 22 December 2015 (the "Amendment Agreement"), unless otherwise stated herein.

Electromagnetic Geoservices ASA (the "Issuer") offers the Bondholders in the bond issue ISIN NO 001 068253.7 (the "Bonds") to redeem their Bonds (the "Buy-Back") in full.

The Buy-Back period will open on 23 March 2017 at 09:00, Central European time, and expire on 28 March 2017 at 16:00, Central European time (the "Buy-Back Offer Period").

Bondholders may offer to sell some or all of their Bonds to the Issuer at 70% of par value. The Buy-Back offer will be made to all Bondholders on equal terms.

Bondholders may offer Bonds for sale at any time during the Buy-Back Offer Period, and tenders to sell bonds in the Buy-Back may be withdrawn at any time prior to the expiration of the Buy-Back Offer Period. The Buy-Back is not conditional on any minimum number of bonds being offered to the Issuer.

The date for settlement of the Offer (the "Settlement Date") is expected to be on 31 March 2017 and no later than 5 Business Days after the expiration of the Buy-Back Offer Period (i.e. 4 April 2017).

About EMGS

EMGS, the marine EM market leader, uses its proprietary electromagnetic (EM) technology to support oil and gas companies in their search for offshore hydrocarbons. EMGS supports each stage in the workflow, from survey design and data acquisition to processing and interpretation. The Company's services enable the integration of EM data with seismic and other geophysical and geological information to give explorationists a clearer and more complete understanding of the subsurface. This improves exploration efficiency and reduces risks and the finding costs per barrel.

EMGS operates on a worldwide basis with offices in Trondheim, Oslo, Houston, Villahermosa, Rio de Janeiro and Kuala Lumpur.
