

Elkem ASA's Capital Markets Day in Oslo today

"Creating value through operational excellence, growth and specialisation"

Oslo, 20 November 2018

Elkem ASA is hosting its capital markets day in Oslo today. Elkem will present financial targets and initiatives for growth and specialisation within areas such as foundry products, batteries and silicones. Integration of the Chinese manufacturing plants and more insight into the Chinese silicones market will also be presented.

The capital markets day will take place at Felix Conference Centre, presentations starting at 09:00 CET.

The capital markets day will be streamed, follow the webcast here:

About Elkem

Founded in 1904, Elkem is one of the world's leading suppliers of silicon-based advanced materials with operations throughout the value chain from quartz to specialty silicones, as well as attractive market positions in specialty ferrosilicon alloys and carbon materials. Headquartered in Oslo, the company's 27 production sites and extensive network of sales offices and agents around the world ensure proximity to customers and access to attractive end markets. Elkem's over 6,000 skilled employees and significant R&D activities provide a solid basis for further technology-driven growth and optimisation.
