About Elkem

Founded in 1904, Elkem is one of the world's leading suppliers of silicon-based advanced materials with operations throughout the value chain from quartz to specialty silicones, as well as attractive market positions in specialty ferrosilicon alloys and carbon materials. Headquartered in Oslo, the company's 27 production sites and extensive network of sales offices and agents around the world ensure proximity to customers and access to attractive end markets. Elkem's over 6,300 skilled employees and significant R&D activities provide a solid basis for further technology-driven growth and optimisation.
