### About Elkem

Elkem is one of the world's leading providers of advanced material solutions shaping a better and more sustainable future. The company develops silicones, silicon products and carbon solutions by combining natural raw materials, renewable energy and human ingenuity. Elkem helps its customers create and improve essential innovations like electric mobility, digital communications, health and personal care as well as smarter and more sustainable cities. With a strong track record since 1904, its global team of more than 7,000 people has a joint commitment to stakeholders: Delivering your potential. In 2022, Elkem obtained a Platinum score from EcoVadis, which rated the company among the world's top 1% on sustainability transparency, and the company achieved an operating income of NOK 33.7 billion. Elkem is listed on the Oslo Stock Exchange (ticker: ELK). [www.elkem.com](http://www.elkem.com)
