About Elkem:

Elkem is one of the world's leading providers of advanced silicon-based materials shaping a better and more sustainable future. The company develops silicones, silicon products and carbon solutions by combining natural raw materials, renewable energy and human ingenuity. Elkem helps its customers create and improve essential innovations like electric mobility, digital communications, health and personal care as well as smarter and more sustainable cities. With a strong track record since 1904, its global team of more than 7,200 people has a joint commitment to stakeholders: Delivering your potential. In 2024, Elkem achieved an operating income of NOK 33 billion. Elkem has been awarded top score of A on Forests and Water Security, and B on Climate Change from CDP. Elkem is listed on the Oslo Stock Exchange (ticker: ELK), where the company is also included in the ESG Index. www.elkem.com
