Norwegian asset manager selects Huddlestock Investor Services for nominee depot, management of shareholder registers as well as customer- and tax reporting

**Huddlestock Fintech AS (OSE: HUDL), today announced that a Norwegian asset manager, who wants to remain anonymous, has selected Huddlestock Investor Services for storage of financial instruments in a nominee depot, order management, management of shareholder registers as well as customer- and tax reporting.**

*"We are delighted that this Norwegian Asset manager has chosen to work with us. The customer is a modern and forward-thinking player and an ideal customer for our Investment-as-a-Service offering. The agreement shows the value of our product and services in a constantly changing Wealth and Asset Management market, driven by new technological opportunities",* **says John E. Skajem, CEO Huddlestock Fintech AS.**

The deal is strategically important for Huddlestock since it confirms the market's interest for our Investment-as-a-Service concept. Expected revenues for Huddlestock will be a combination of licence fees and bps on Assets under Management (AuM). Implementation will start immediately.
