### About Kahoot!

Kahoot! is on a mission to make learning awesome! We want to empower everyone, including children, students, and employees to unlock their full learning potential. Our game-based learning platform makes it easy for any individual or corporation to create, share, and play learning games that drive compelling engagement. In addition, our family of apps takes math learning to a new level and empowers children to learn to read through play. Launched in 2013, Kahoot!'s vision is to build the leading learning platform in the world. In the last 12 months, more than 200 million games have been played on the Kahoot! platform with over one billion participating players in 200 countries. The company is headquartered in Norway with offices in the US, UK, France, Finland, Denmark and Spain. Let's play!
