Forward-looking statements

This announcement contain forward-looking statements. Forward-looking statements are statements that are not historical facts and may be identified by words such as "believe", "expect", "anticipate", "strategy", "intends", "estimate", "will", "may", "should" and similar expressions. The forward-looking statements in this announcement are based upon various assumptions, which in turn may be based on further assumptions. Although Kongsberg Automotive believes that these assumptions were reasonable when made, these assumptions are inherently subject to significant known and unknown risks, uncertainties, contingencies and other important factors that are difficult or impossible to predict and are beyond its control. Various factors could cause Kongsberg Automotive's actual results to differ materially from those projected in a forward-looking statement. No assurances can be given that the

assumptions underlying the forward-looking statements prove to have been correct. Kongsberg Automotive disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
