

## Transactions carried out under the share buy-back program

As announced May 13, 2022 Kongsberg Automotive ASA put in place a non-discretionary agreement with Danske Bank for the repurchase of Kongsberg Automotive shares for up to 10% of its outstanding shares in the market. The share repurchases started May 19, 2022.

| Date  | Aggregated Daily Volume (# of Shares) | Weighted Average Price (NOK) | Total Transaction Value(NOK) |
|---|---------------------------------------|------------------------------|------------------------------|
| 8 June 2022   | 566.876                               | 2,67                         | 1.513.559                    |
| 9 June 2022   | 560.494                               | 2,69                         | 1.508.177                    |
| 10 June 2022  | 560.477                               | 2,69                         | 1.506.002                    |
| 13 June 2022  | 572.444                               | 2,47                         | 1.414.681                    |
| Total Purchased under the Program (as of June 7, 2022)  | 6.027.905                             | 2,74                         | 16.508.831                   |
| Total Purchased under the Program (as of June 13, 2022) | 8.288.196                             | 2,71                         | 22.451.249                   |

See the attached document for information about the individual transaction made under the buy-back program.

Kongsberg Automotive will seek approval from the 2023 Annual General Meeting for cancellation of the repurchased shares. For further information regarding the share buy-back program, please see the stock exchange notifications from May 13, 2021.

The buyback program is carried out in accordance with the Market Abuse Regulation (EU) No 596/2014 ("MAR") and Commission Delegated Regulation (EU) No 2016/1052 ("Safe Harbour Regulation").

After the above-mentioned transactions Kongsberg Automotive owns a total of 8.391.853 own shares, corresponding to 0.80% of Kongsberg Automotive's share capital.
