

Kongsberg Automotive officially opens a new state-of-the-art office in Dortmund

Zurich, September 28, 2022: Kongsberg Automotive (KA) officially opened its Dortmund, Germany office with a ceremony today. This office, registered under the Kongsberg Automotive GmbH entity, is a step toward the company growing its global footprint and is in line with KA's strategy to be one of the top three providers of mobility solutions.

The new Dortmund office is a strategic placement in the automotive and mobility hub with direct access to major commercial vehicles and off-highway customers. Situated by the Phoenix Lake in a modern facility alongside company leaders, KA's Dortmund office will host key corporate functions such as Business Development, Product Portfolio and Marketing Management, and Purchasing, and will be an attractive center to nurture and grow new talent.

This attractive location with modern facilities places us strategically closer to our customers to develop, and support our innovation and growth plan, especially in the new and emerging markets," says Joerg Buchheim, President & CEO of KA.

The Dortmund office will allow KA to explore key areas, strengthen the company's business, foster customer relations, and create new opportunities.
