

Final negotiations for environmental contract

28.12.2020 20:47:36 CET | Nordic Unmanned | Additional regulated information required to be disclosed under the laws of a member state

Nordic Unmanned has been notified of final negotiations regarding a potential system integration contract with a major European public organization. The equipment will be used for maritime environmental research.

If the negotiations are successful, total revenue is expected to be 7 million Euros. This will be a new client for Nordic Unmanned.

A decision is expected in the first quarter of 2021.
