

Norske Skog ASA – Invitation to presentation of packaging project

Norske Skog is converting significant parts of its production capacity to establish one of Europe's largest producers of recycled packaging, a growing market driven by increased e-commerce. On Monday 27 September at 10:00 am CEST, CEO Sven Ombudstvedt and Senior Vice President Strategic Projects Tore Hanesætre will participate in a presentation at the Xtrainvestor community to give an update on the project and answer questions.

It will be possible to ask questions along the way or in advance to: carsten.dybevig@norskeskog.com

About Norske Skog

Norske Skog is a world leading producer of publication paper with strong market positions and customer relations in Europe and Australasia. The Norske Skog group operates four mills in Europe, of which two will produce recycled containerboard following planned conversion projects. In addition, the group operates one publication paper mill and one wood pellets facility in Australasia. Norske Skog aims to further diversify its operations and continue its transformation into a growing and high-margin business through a range of promising conversions, energy, and fibre projects. The group has approximately 2 300 employees in five countries, is headquartered in Norway and listed on the Oslo Stock Exchange under the ticker NSKOG.
