

Invitation to webcast of Ocean Sun AS's first quarter results 2021

Ocean Sun AS will release its first quarter results on Monday 03 May 2021 at 07:00h (CEST).

A presentation of the results followed by a Q&A session will be held through a live webcast on the same day at 11:00h (CEST). You can follow the webcast [here](#).

You may ask questions through the webcast solution, or email your question in advance to kl@oceansun.no

About Ocean Sun:

By combining Norwegian maritime expertise and knowledge within photovoltaics, Ocean Sun has developed an innovation that offers a bold solution to our global energy needs. The patented technology is based on solar modules mounted on hydro-elastic membranes and offers cost and performance benefits not seen in any other floating PV system today. With offices in Oslo, Singapore and Shanghai, Ocean Sun is embarking on its vision to be the world's leading technology provider of floating solar.
