Committee
Jakob Iqbal (sign.)

Description of candidates

Audun Wickstrand Iversen

Audun Wickstrand Iversen is a private investor. Over the last ten years, he has focused primarily on the telecom, IT and alternative energy industries. Previously, Iversen worked as a financial analyst at DnB Markets and as a portfolio manager at DnB Asset Management, with responsibility for global telecoms and alternative energy. He holds a degree in business administration from the Norwegian School of Management (BI) as well as degrees from Norwegian School of Economics and Business Administration (NHH) and the University of Oslo. He is currently Chairman of the Board of Nextgentel Holdings.

Marianne Blystad

Marianne Heien Blystad is an Attorney at Law with the law firm Ro and Sommernes in Oslo. Apart from her legal experience she has long time experience from corporate banking, shipping and offshore from both Norway and the USA. She has a wide range of experience as Board member and currently holds directorships with Eksportfinans ASA, Edda Utvikling AS, Songa Shipping and Offshore Heavy Transport AS. Ms. Blystad holds a business degree (Siv.Øk.) from the Norwegian School of Business and Economics (Handelshøyskolen BI) and a Law degree from the University of Oslo.

André Christensen

André Christensen has extensive strategic and operational experience from the Media, Internet, and High Tech industries across Europe, North America and Asia from the last 25 years. He is currently the Chief Operating Officer with the OTT/IPTV service provider Quickplay Media based in San Diego/Toronto where he was a co-owner until acquired by AT&T Entertainment Group in the 2016. Prior to this he was the SVP Business Operations and Strategy at Yahoo globally after 12 years with McKinsey & Company as a partner establishing and leading the Business Technology practice in Canada as well as the Global Operating Model service line worldwide. Mr. Christensen currently holds a board position

with Broadnet. He has also been a successful entrepreneur and has an MSc/DiplKfm degree from University of Mannheim.
