

## **Contract extension for AHTS Normand Ferking**

Solstad Offshore ASA is pleased to announce that Equinor has declared an option to extend the contract for anchor handling vessel Normand Ferking with 1 more year to November 2022. Equinor has the option to extend the contract with further 2 x 1 years.

Normand Ferking has been on contract with Equinor since 2007 and will continue to support their activities on the Norwegian Continental Shelf.

Skudeneshavn, August 23<sup>rd</sup>, 2021
