

201 615 EasyConnect activations in July

(Oslo, Aug 10, 2010) **Birdstep Technology ASA reported 201 615 EasyConnect activations in July 2010.**

201 615 new customers activated their EasyConnect software in July 2010 compared to 184 974 in July 2009. The July activation figure represents a 9% year on year increase compared to July 2009 and 9% sequential increase compared to June 2010.

The activations apply to EasyConnect Go and EasyConnect Advanced products, Birdstep Technology's solutions for mobile broadband connectivity through USB modems. Birdstep Technology's embedded solution for laptop manufacturers, EasyConnect Inside, is not included in the figures.
