Reference is made to the nomination committee's proposal which will be made available on the Company's website [www.walleniuswilhelmsen.com](http://www.walleniuswilhelmsen.com) prior to the general meeting.

**11. Authorisation to the board of directors to acquire shares in the company**

The company has implemented a long-term incentive scheme for the executive management of the company as referred to and approved under Item 4. The purpose of the long-term incentive scheme is to further align the interest of the executive management with shareholders through awarding shares. The scheme would require the company to acquire shares in the market for this purpose, estimated to amount to maximum 400,000 shares or 0.095% of the share capital per annum. In addition, the company needs to acquire shares in the market to cover a share purchase program for employees in Norway, estimated to amount to maximum 20,000 shares or 0.005% of the share capital per annum.

Additionally, the company would like to have a general authorisation to enable the acquisition of its own shares as an alternative to dividends in order to be able to optimize the capital structure of the company.

On this background, the board of directors proposes that the general meeting grants the board of directors an authorisation to acquire shares in the company for these purposes, with a nominal value of up to NOK 22,001,456, equal to 10% of the current share capital.

The board of directors proposes that the general meeting adopts the following resolution:

- a) Pursuant to Section 9-4 of the Norwegian Public Limited Liability Companies Act, the board of directors is granted an authorisation to, on behalf of the company, acquire own shares with a total nominal value of up to NOK 22,001,456 which equals 10% of the current share capital.
- b) The maximum amount to be paid for each share is NOK 200 and the minimum amount is NOK 0.52.
- c) Acquisition and sale of own shares may take place in any way the board of directors finds appropriate, however, not by way of subscription.
- d) The authorization is valid until the company's annual general meeting in 2023 but no longer than 30 June 2023.

**12. Authorisation to the board of directors to increase the share capital**

To give the board of director's financial flexibility and enable quick access to the market in the event of an acquisition in return of shares or for general corporate purposes, the board

of directors propose that it is given an authorisation to increase the Company's share capital.

The board of directors propose that the size of the authorisation shall correspond to 10% of the Company's current share capital.

To exercise the authorisation in the best possible manner commercially, it may be relevant in certain situations to make a private placement of shares to certain named persons and/or enterprises. It may also be appropriate to use the authorisation in the event of acquisition of business/assets in return for shares. It is therefore also proposed that the board of directors is authorised to deviate from the shareholders' preferential rights when using the authorisation.

The board of directors propose that the general meeting adopts the following resolution:

- a) Pursuant to Section 10-14 of the Norwegian Public Limited Liability Companies Act, the board of directors is granted an authorisation to increase the share capital by up to 10% of the share capital of the Company, i.e., up to NOK 22,001,456.
- b) The shareholders' preferential right to the new shares pursuant to Section 10-4 of the Norwegian Public Limited Liability Companies Act may be deviated from.
- c) The authorisation may comprise share capital increases against contribution in kind, cf. Section 10-2 of the Norwegian Public Limited Liability Companies Act.
- d) The authorisation may comprise share capital increases in connection with mergers pursuant to Section 13-5 of the Norwegian Public Limited Liability Companies Act.
- e) From the time of registration of this authorisation in the Norwegian Register of Business Enterprises, this authorisation shall replace the authorisation to increase the share capital granted to the board of directors at the annual general meeting held on 21 April 2021.
- f) The authorisation is valid until the Company's annual general meeting in 2023, but no longer than 30 June 2023.

**13. Amendment of the Company's articles of association**

Pursuant to Article 7 (second paragraph) of the Company's articles of association, the General Meetings are presided over by the Chairman of the Board. For practical reasons, the board of directors propose that the articles of associations are amended so that this wording is deleted. The proposed revised articles of association is available on the Company's website [www.walleniuswilhelmsen.com](http://www.walleniuswilhelmsen.com).
