## New Webstep CFO and changes in group management

**Liv Anni Kverneland assumed the position as Webstep CFO 1 September 2018. At the same time Webstep CEO Kjetil Eriksen made two more changes in group management.**

- Hans Sigvart Hansen, former director of Webstep project- and test management department, assumes a new position as COO Norway
- Rolf Helle, former Business Development advisor and Webstep founder, assumes a new position as Director Business Development

**Liv Anni Kverneland** has CFO experience from various IT- and consulting businesses. She comes to Webstep from Computas, where she has held the CFO position since August 2016. Prior this, she was CFO at CAMO and Making Waves.

**Hans Sigvart Hansen** has run the Webstep project- and test management consulting department in Webstep since 2012. Prior this Mr Hansen ran major national and international IT projects for Capgemini.

**Rolf Helle** holds extensive IT industry -management and -consulting experience, and has played key roles in developing Webstep since the founding of the company.

- CFO Liv Anni Kverneland with her strong sector knowledge within IT, digitalisation and consulting, represents an important resource in the Webstep management team. Entering the position of COO Norway, Hans Sigvart Hansen's brings his skills and experiences within consulting, customer relations and Webstep culture. Rolf Helle represents important competence, capacity and power going forward. says CEO Kjetil Eriksen, very well pleased after having strengthened the Webstep management group.

Webstep Group management now consists of:

- Kjetil Eriksen, CEO
- Liv Anni Kverneland, CFO
- Rolf Helle, Director Business Development
- Marianne Styrman, Director IoT
- Hans Sigvart Hansen, COO Norway
- Jakob Cardell Managing Director Sweden
- Arnt R Aasen CCO

**Webstep ASA is a provider of consultancy services to the private and public sector, with the IT expertise necessary to deliver the most demanding digitalisation and IT services.**

**The company offers its services to more than 200 customers annually, in Norway and Sweden, and is recognised for its work environment. Since its establishment in 2000, Webstep has delivered profitable growth.**
