

Webstep ASA: Share investment programme for management employees and board members

Oslo, 8 June 2021: On the basis of a resolution by the annual general meeting of Webstep ASA (the "Company") on 28 April 2021, the board of directors of the Company has, after consultation with the Company's nomination committee, resolved to implement a share investment programme for certain management employees in the Company and its subsidiary Webstep AS, and the members of the board of directors of the Company (the "Share Investment Programme").

The participants in the Share Investment Programme will be offered to acquire new shares in the Company for an amount of between NOK 50,000 and NOK 200,000 each, and for up to NOK 4,200,000 in aggregate (the "Offer"). The shares will be offered at a price equal to the volume-weighted average share price for the Company's shares on the Oslo Stock Exchange during the ten trading days prior to 10 June 2021 with a discount of 21.7%. Any shares acquired in the Offer will be subject to a lock-up period of two years, and the reduced offer price shall reflect the value-reducing effect of the lock-up period.

Shares acquired in the Offer will be settled in the form of new shares in the Company to be issued pursuant to an authorisation granted to the board of directors by the annual general meeting held on 28 April 2021.

The Offer must be accepted by the eligible participants on 10 June 2021 before 17:00 hours (CEST).
