Webstep ASA: Eva Johannesdottir new general manager of Webstep Stavanger

Oslo, 14 August 2024: Webstep has appointed Eva Johannesdottir as new General Manager of the Stavanger office.

Johannesdottir comes from the position as a Business Unit Manager at Bouvet, and will take on the position from 1. September 2024.

"I'm really looking forward to welcoming Eva Johannesdottir to Webstep. She is a recognized culture builder with an impressive growth and performance oriented track record, which is a perfect fit for Webstep going forward," said Kristine Lund, CEO of Webstep.

Eva Johannesdottir has more than 15 years of experience from IT-consultancy and management, bringing with her experience from Bouvet, Aker BP, as well as GE.

"Webstep is renowned for its highly competent and experienced team as well as a positive and great company culture. I am eager to join in an important phase for the company and an exciting time for the Stavanger region", said Eva Johannesdottir.

"Operating in the middle of an extremely vibrant business region, Eva will lead our effort in further strengthening our position as an important digitalisation partner in the region, especially for an energy sector in change," Kristine Lund, CEO of Webstep said.
