About Zwipe

Zwipe is pioneering the next generation contactless payments experience, providing biometric payment cards components and wearables technology that enable consumers to authorize transactions with their fingerprints without compromising their privacy. Together with an ecosystem of partners including global brands within digital security and financial services, Zwipe is "Making Convenience Safe & Secure" for banks, merchants and consumers. Zwipe's solutions address the hygiene and data theft pitfalls inherent in traditional authentication methods. Headquartered in Oslo, Norway, with a global presence, Zwipe is leading the next great shift in payments from contactless to contact free. To learn more, visit www.zwipe.com
