## **ABN AMRO confirms home member state**

Following the implementation into the Dutch Act on Financial Supervision ('*Wet op het financieel toezicht*', 'Wft') of European Directive 2013/50/EU, which directive amends the Transparency Directive 2004/109/EC, ABN AMRO confirms through this press release that its home member state within the meaning of article 5:25a Wft is the Netherlands.

The relevant competent supervisory authorities, the Netherlands Authority for the Financial Markets ('*Autoriteit Financiële Markten*'), the *Luxembourg Commission de Surveillance du Secteur Financier* and the Swedish Finansinspektionen are also informed.

This means that Netherlands rules will apply with regard to the ongoing reporting requirements, that regulated information ('*gereglementeerde informatie*') will be disclosed as prescribed by the Wft and that the AFM is the regulator in this respect.
