

Avantium Secures €10 Million Financing from Invest-NL

AMSTERDAM, 25 July 2025, 08:00 hrs CEST – Avantium N.V., a leading company in renewable and circular polymer materials, announces that it has secured €10 million senior debt financing, provided by Dutch government-backed investment fund Invest-NL, to meet short-term liquidity requirements.

This short-term debt is expected to be repaid through the proceeds from a future planned equity raise. This financing follows the €10 million package secured in June 2025 from the Province of Groningen and a consortium of lenders (ABN AMRO, ASN, ING, Rabobank, and Invest-NL).

Avantium is actively progressing towards a future planned equity raise and is currently engaged in advanced discussions with its Lenders and several government institutions in relation to a long-term funding package.

About Avantium

Avantium is a pioneering commercial-stage company focused on renewable & circular polymer materials. Avantium develops and commercialises innovative technologies for the production of materials based on sustainable carbon feedstocks, i.e. carbon from biomass or carbon from the air (CO₂). The most advanced technology is the YXY® Technology that catalytically converts plant-based sugars into FDCA (furandicarboxylic acid), the key building block for the sustainable plastic PEF (polyethylene furanoate). PEF is known under the brand name releaf®, an EU registered trademark of Avantium. Avantium has successfully demonstrated the YXY® Technology at its pilot plant in Geleen, the Netherlands, and is in the process of starting the world's first commercial plant for FDCA in Delfzijl, the Netherlands. Avantium works in partnership with like-minded companies around the globe to develop revolutionary renewable chemistry solutions from invention to commercial scale.

Avantium's shares are listed on Euronext Amsterdam and Euronext Brussels (symbol: AVTX). Avantium is incorporated in the Euronext Amsterdam SmallCap Index (AScX). Its offices and headquarters are in Amsterdam, the Netherlands.
