Royal BAM Group nv

BAM confirms start €40 million share buyback programme

Bunnik, the Netherlands, 11 May 2026 – Today Royal BAM Group nv starts a share buyback programme of €40 million, as announced on 19 February 2026. This is an additional return to shareholders under BAM's shareholder remuneration strategy.

The share buyback is executed under terms of an engagement letter with a third party and upon the specific authorisation granted by the Annual General Meeting of 7 May 2026.

The programme will have an ultimate end date of 30 September 2026. BAM will inform the market of the progress made in the execution through weekly press releases and updates on its website.

About Royal BAM Group

Royal BAM Group nv is a leading construction and property development company listed on Euronext Amsterdam with over 150 years of experience in delivering sustainable buildings, homes and infrastructure for public and private sector clients. With approximately 13,500 employees, BAM realised a revenue of €7.0 billion in 2025.

The company operates in its home markets the Netherlands, the United Kingdom and Ireland and also has activities in Belgium. BAM's 2024-2026 strategy *Building a sustainable tomorrow* is built around three pillars: Focus, Transform, and Expand. The company concentrates on a profitable and predictable performance, driven by digital and scalable innovation, aligned with ambitious sustainability targets. The company's values are sustainable, inclusive, reliable, ownership and collaborative. www.bam.com
