Ctac sells Meridian IT

ICT Solution Provider Ctac announces that, in line with its sharpened strategy, it has sold its 60% stake in Meridian IT. The SME supplier of SAP Business, where in total seven people are employed, has been sold through a management buyout to its current senior management as per 31 May 2012. In this way, continuity for the Business One clients is guaranteed.

About Ctac
Ctac is one of the largest SAP Gold Partners in the Benelux and Microsoft Gold Partner. In 2012 Ctac has been operating as an ICT solution provider for twenty years. Ctac develops tailor-made industry-specific templates, based on market-leading software and the extensive experience of its consultants. The pre-configured solutions can be deployed quickly and offer an accelerated return on investment. Ctac provides templates for the retail, wholesale, real estate and healthcare sector. Additionally, it offers a broad range of ICT solutions to mid-sized and large organizations, including business intelligence, warehouse management, portal solutions and customer relationship management. Added to this, Ctac delivers an extensive portfolio of services, such as hosting & management, e-business and consultancy services, training and education.
Ctac is listed at NYSE Euronext Amsterdam (ticker: CTAC). On 31 March 2012 Ctac had a head count of 480. Its main office is located in 's-Hertogenbosch, The Netherlands. Ctac also has operations in Belgium and France. More information is available at: www.ctac.nl.
