

PRESS RELEASE

's-Hertogenbosch, 8 January 2016

Ctac expands e-commerce activities

Ctac is expanding its product and services portfolio by adding business activities in the field of e-commerce, fully in line with its Total Solution Provider strategy.

To support this expansion, Ctac will appoint Marcel Lamers (52) as director of e-commerce effective 1 February 2016. Marcel Lamers already has extensive experience in this particular field.

This expansion is a seamless fit with the markets in which Ctac is active as a Total Solution Provider. Ctac is seeing considerable growth in e-commerce among its clients, especially in the retail, wholesale and manufacturing sectors. Hybris is a key SAP product Ctac will deploy in these markets.

Ctac expects the interaction with the company's other operations to generate synergy benefits for the company.

About Ctac

As an innovative Total Solution Provider, Ctac helps customers realize their ambitions. We do so by developing and implementing industry-focused solutions that fully address customer's needs and business processes in various markets. With a passion for technology and a sharp eye for business processes, we work at the crossroads of business and ICT on a daily basis. Our industry-focused solutions for among others retail, wholesale, manufacturing, real estate and professional services are being developed in close cooperation with our customers. We complement our industry-specific composed solutions with a comprehensive range of services, varying from business consultancy to cloud services and software development, mobility and in-memory computing. For this, we always take a professional approach, with an innovative angle and a focus on transparent personal contact.

Ctac is listed at Euronext Amsterdam (ticker: CTAC). As per end of September 2015, Ctac employs a staff of 471. The head office is located in 's-Hertogenbosch, the Netherlands. Ctac is also active in Belgium and France. For more information: www.ctac.nl.
