Judgment District Court of Amsterdam

's-Hertogenbosch (the Netherlands), 18 October 2019 - Business & Cloud Integrator Ctac N.V. (Ctac) (Euronext Amsterdam: CTAC) today received the judgment of the District Court of Amsterdam of 16 October 2019 concerning a legal dispute between Ctac and a customer about the settlement of a contract signed in July 2016.

The Amsterdam District Court ruled that the client was entitled to dissolve the contract. As a consequence, Ctac has been ordered to pay a total amount of EUR 2,369,718.03, consisting of EUR 1,250,000 in damages and compensation for litigation costs and an earlier cancellation fee. Considering VAT and the amount that has already been deposited in Escrow, the ruling leads to an outgoing cash flow of EUR 1,576,000 and a corresponding impact on the result of Ctac of EUR 1,254,000.

Ctac is studying the decision of the court and is considering whether to take any subsequent steps, including a possible appeal. Furthermore, the options to recover the damage from third parties involved are being investigated.
