In lijn met de governance-roadmap zoals uiteengezet in het Jaarverslag 2024, versterkt de onderneming haar bestuursstructuur en bouwt zij verder aan een solide framework voor goed ondernemingsbestuur. Tijdens de vergadering wordt aandeelhouders gevraagd te stemmen over diverse voorstellen, waaronder de benoeming van drie nieuwe leden voor de Raad van Bestuur.

Deze voorgestelde benoemingen vormen een volgende stap in de transitie van Green Earth van een ondernemende organisatie naar een meer institutioneel bestuursmodel. Daarmee onderstreept de Groep haar langetermijncommitment aan transparantie, verantwoording en duurzame groei.

Daarnaast heeft Green Earth de financiële afdeling uitgebreid en legt het een sterke nadruk op versterking van compliance en interne beheersing, door de implementatie van aanbevelingen van haar OOB-accountantsorganisatie. Deze verbeteringen zijn gericht op het ondersteunen van verdere groei, het waarborgen van financiële discipline en het aansluiten bij internationale best practices op het gebied van governance en verslaggeving.

"Het versterken van onze corporate governance is een natuurlijke stap in de verdere professionalisering van Green Earth. Naarmate we blijven groeien, hoort een volwassen bestuursstructuur daarbij. Deze versterking past bij de schaal waarop we inmiddels opereren en ondersteunt onze ambitie om duurzaam, transparant en met sterke interne controle verder op te schalen," aldus Selwyn Duijvestijn, CEO van Green Earth Group N.V..
