

## V&D extends fulfilment contract with Docdata until 2016

The Docdata management today announces that V&D has extended her contract with Docdata fulfilment B.V. in Waalwijk with 3.5 years until January 2016. As a result, the successful partnership that started in 2008 will be continued. By extending the fulfilment contract, V&D keeps the largest part of the storage of the very extensive range of products of her online department store, as well as the fine meshed distribution of all the orders, at Docdata in Waalwijk.

Mr. Jack Heijkans, General Manager of Docdata fulfilment B.V.: "We are delighted that V&D has decided to extend our strategic partnership. In 2011 the online department store experienced tremendous growth. Actions such as twice-yearly 'Prijzencircus' are without exception resounding successes. Docdata is used to deal with these kinds of peak demands, and we look forward to continuing our services in the coming years, in order to establish a further optimization of V&D online. We are proud that V&D expresses its confidence in the partnership with Docdata to take the webshop to a higher level."

Mr. Brent van Rossem, Brands Director of V&D: "With this contract extension, V&D continues a successful partnership. The outstanding qualities of the Docdata team will enable us to achieve strong further growth for VD.nl in the coming years."
