Technology company IAI industrial systems will supply 16 BookMaster Desk systems to Trüb AG in Switzerland for the personalisation of passports

Technology company IAI industrial systems B.V. in Veldhoven, The Netherlands, a subsidiary of the stock listed company DOCDATA N.V. in Waalwijk, The Netherlands, will supply 16 BookMaster Desk systems for the personalisation of passports to Trüb AG in Aarau, Switzerland. The systems will be installed in 2013 at sites of Trüb's customer.

The BookMaster Desk system is a compact machine for low-volume graphical and electronical personalisation of passports. Its industrial design offers reliable and sustained production capabilities for de-centralised issuance of passports.

Being a leading equipment supplier to the Security Printing market, IAI industrial systems supplies systems for securing and/or personalisation of passports, identity cards, driver licences, banknotes, diplomas and other security documents.

IAI's systems are in use in many countries such as: Netherlands, Belgium, Switzerland, Ireland, UK, Sweden, China, Russia, Ukraine, Canada, Portugal, Estonia, Costa Rica, Poland, Morocco, South Africa, Bulgaria, Algeria, India and Uzbekistan.

Technology company IAI industrial systems also offers laser processing systems for producers of solar cells or modules.

The listed DOCDATA N.V. exists of two lines of business:

Technology company IAI industrial systems (www.iai-industrial-systems.com) is a high tech engineering company specialised in developing and building systems for very accurate and high speed processing of all kinds of products and materials. IAI delivers clients globally in the following sectors: securing and personalising of security documents, processing of solar cells and modules and processing of other materials and products.

E-commerce service company Docdata (www.docdata.com) is a European market leader with a strong basis in The Netherlands, Germany and the United Kingdom. Docdata offers a complete e-commerce service portfolio to clients, enabling them to be successful on the internet.

About Trüb AG

Trüb AG is a leading company in Switzerland and internationally in the manufacture and personalization of national identity documents such as personal ID cards, driver's licenses, tachograph cards and data pages for passports as well as bank, loyalty and access cards. The company was founded in 1859 and has developed over the years into a world-wide leader for high quality identification solutions.
