IAI industrial systems B.V. will supply a passport personalisation system

IAI industrial systems B.V. in Veldhoven, The Netherlands, a subsidiary of the stock listed company DOCDATA N.V. in Waalwijk, The Netherlands, will supply one BookMaster One system for the personalisation of passports. The order comes from one of our existing clients and the system will be used for the personalisation of a European passport. The BookMaster One system will be delivered and installed in the fourth quarter of 2014. At request of the tendering government, we will not give more information at this stage.

BookMaster One systems perform the entire personalisation of the passport in one pass through the machine including verification of all operations performed. Thus, the systems turn blank books, inserted in the machine, into fully personalised passports ready for issuing. The BookMaster One has a modular setup which enables customers to procure and employ the total functionality of the systems or parts of it, all at once or in phases.

Being a leading equipment supplier to the Security Printing market, IAI industrial systems supplies systems for securing and/or personalisation of passports, ID-cards, driver licences, banknotes, diplomas and other security documents.

IAI's systems are in use in many countries such as: Netherlands, Belgium, Switzerland, Ireland, UK, Sweden, China, Russia, Ukraine, Canada, Portugal, Estonia, Costa Rica, Poland, Morocco, South Africa, Bulgaria, Algeria, India, Uzbekistan and Thailand.

IAI also offers laser processing systems for special industrial applications.

The listed DOCDATA N.V. exists of two lines of business:

IAI (www.iai-industrial-systems.com) is a high tech engineering company specialised in developing and building systems for very accurate and high speed processing of all kinds of products and materials. IAI delivers clients globally in the following sectors: securing and personalising of security documents, processing of solar cells and modules and processing of other materials and products.

Docdata (www.docdata.com) is a European market leader with a strong basis in The Netherlands, Germany and the United Kingdom. Docdata offers a complete e-commerce service portfolio to clients, enabling them to be successful on the Internet.

Waalwijk, The Netherlands, 23 May 2014
