#### **Disclaimer**

This press release, and the Half-Year Report referenced in this press release, may include forward-looking statements, which are based on EHC's current expectations and projections about future events and speak only as of the date hereof. By their nature, forward-looking statements involve known and unknown risks, uncertainties, assumptions and other factors because they relate to events and depend on circumstances that will occur in the future whether or not within or outside the control of EHC. Such factors may cause actual results, performance or developments to differ materially from those expressed or implied by such forward-looking statements. Accordingly, no undue reliance should be placed on any forward-looking statements. EHC operates in a rapidly changing environment. New risks and uncertainties emerge from time to time, and it is not possible to predict all risks and uncertainties, nor to assess the impact that these factors will have on EHC. Forward-looking statements speak only as at the date at which they are made and EHC undertakes no obligation to update these forward-looking statements. Further reference is made to the 'Risks and Uncertainties' section in the Half-Year Report.
