

PRESS RELEASE

Amsterdam, 3 October 2011

ING Completes Sale of ING REIM Asia to CBRE

ING announced today it has completed the sale of ING REIM's Asian operations to U.S.-based CBRE Group, Inc.

The transaction includes ING REIM Asia as well as part of ING's equity stakes in funds managed by ING's Asian real estate investment management platform, and is part of a broader agreement announced on 15 February 2011 whereby ING agreed to sell three ING REIM businesses to CBRE. The broader agreement comprises ING REIM Asia, the already announced closed sale of U.S.-based ING CRES, and ING REIM Europe, which is on track to close in the fourth quarter of 2011.

ING is a global financial institution of Dutch origin, offering banking, investments, life insurance and retirement services to meet the needs of a broad customer base. Going forward, we will concentrate on our position as an international retail, direct and commercial bank, while creating an optimal base for an independent future for our insurance and investment management operations

IMPORTANT LEGAL INFORMATION

Certain of the statements contained herein are not historical facts, including, without limitation, certain statements made of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Actual results, performance or events may differ materially from those in such statements due to, without limitation: (1) changes in general economic conditions, in particular economic conditions in ING's core markets, (2) changes in performance of financial markets, including developing markets, (3) the implementation of ING's restructuring plan to separate banking and insurance operations, (4) changes in the availability of, and costs associated with, sources of liquidity such as interbank funding, as well as conditions in the credit markets generally, including changes in borrower and counterparty creditworthiness, (5) the frequency and severity of insured loss events, (6) changes affecting mortality and morbidity levels and trends, (7) changes affecting persistency levels, (8) changes affecting interest rate levels, (9) changes affecting currency exchange rates, (10) changes in general competitive factors, (11) changes in laws and regulations, (12) changes in the policies of governments and/or regulatory authorities, (13) conclusions with regard to purchase accounting assumptions and methodologies, (14) changes in ownership that could affect the future availability to us of net operating loss, net capital and built-in loss carry forwards, and (15) ING's ability to achieve projected operational synergies. ING assumes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or for any other reason.
